

North Bristol Amateur Radio Club Privacy Statement

- We are contacting you on a lawful basis of legitimate interest or you have given us consent to contact you about our work.
- We store your data in line with GDPR EU regulations and will only use it for the purpose of maintaining membership of North Bristol Amateur Radio Club membership (if applicable) records, mailing list records and sending you news about North Bristol Amateur Radio Club (NBARC).
- We do not pass on data to anyone else unless the law requires us to do so.
- You have the right to withdraw your contact details at any time – to do so, or to update our system with a more suitable contact, please let us know by contacting our current membership secretary.
- After 5 years, or if there is a substantial change in the operations of NBARC we will contact you again to make sure you still want to receive news from us.
- For more information on our Data Policy, visit: <https://nbarc.weebly.com/>
