Events in Red are events held outside of the normal Friday Meeting. If the event is important to you and are not at the previous Club Meeting to hear Announcements, Please make contact to check if the event is continuing or any changes to the details.

There are other Special events that the club will be involved with. See Mat, G7FBD for more information.

We do our very best to put on the events listed but, due to unforeseen circumstances, things can change. If the event is important to you, you can always phone the secretary just to check if it is still on or not.
